Subject Gulfco -- Revised letter . . .

Here is a revised version of the letter. Areas where I made changes should appear in red; I kept all Barbara's changes and made some other to clean up things. I also made other changes per Amy and from Gary's faxed notes; I'm happy to include more of Gary's notes but I wasn't sure on that because it also sounded like his points might have been addressed in the latter portion of the letter.

Let me know what other change you might like. Let's try hard to send out this letter this week. Thanks. TM
